

Please volunteer for tasks below, save the form, email to Susan Lang at slang@cfbhn.org
The goal is that the tasks below will either be planned or done by the next meeting in September.

Next Meeting: Location: Administrative Service Center next to the jail in Fort Myers (Michele will check into this to see if it is possible) Date: a Wednesday in September Time: 2-4 PM

Organizations to invite to participate in workgroup: Lee Mental Health Center, David Lawrence Center, Southwest Florida Addiction Services, School system. Volunteer: Susan to contact LMHC, DLC, SWFAS, Need a volunteer to identify someone from the school system. (would it make sense to have SED NET involved in the workgroup?)

I. Provide Education and Training

- 1) Provide an introduction to trauma informed care training (trauma 101)
Need to get the training materials and make a format for the training
Volunteer: _____
- 2) Invite Tonier Cain to come and present a training in Fort Myers
Volunteer: Dana Foglesong
- 3) Be a pilot for trauma informed peer specialist training
Volunteer: _____
- 4) Identify settings to provide the training
Volunteer: _____
- 5) Contact FGCU about providing space for training and possibly co-sponsoring training: with support from FGCU have larger trainings with national experts for affordable prices
Volunteer: _____
- 6) Have a gathering of survivors
Volunteer: _____
- 7) Identify survivors who would be willing to tell their stories at the trainings
Volunteer: _____

Everyone will work on these items

- Work with families to let them know about trainings
- Make trauma informed care a priority with every MH/SA provider
Volunteer: Susan Lang
- Advocate for care-Bring the information to all who work on the ground floor of the system of care
- Contact all of the stakeholders about training
- Tell at least two people about what was learned at this training
- Figure out how to do trauma informed care in your system
- Identify change agents in each organization to assist with implementing trauma informed care
- Ask "what happened to you"
- Talk with supervisors about the importance of trauma informed care

II) Make a List of Resources Available to All Stakeholders

- 1) Compile a resource list of persons and organizations that can provide trauma informed care and also resources for trauma survivors and their families.

Volunteer: _____

III) Involve School System/Head Start/ Early Steps in Trauma Informed Care

- 1) Meet with principals, counselors, teachers, behavioral specialists, school board, parents to tell about implementation of trauma informed care **(this activity will take place in Aug. or September after everyone returns to school and begins meeting again)**

Volunteer: Lynn James (?) I am not sure I have the correct person

- 2) Offer to do training for school system; provide CEUs for the training

Volunteer: _____

- 3) Address use of restraint and seclusion in the school system

Volunteer: _____

- 4) Marketing trauma informed care so that the public is aware

Volunteer: _____

- 5) Get parent movement to advocate

Volunteer: _____

- 6) have specific training aimed at trauma informed care for children

Volunteer: _____
