## **5 Goals for Agency Implementation (July 2009):**

- Share conference material with other stakeholders in Hillsborough County
- Integrate TIC within agencies
- Advocate for consumers using TIC language
- Educate individuals on vicarious trauma
- Educate boards and leadership on TIC

## **Workgroup Tasks I - III**

### **Task I: Resource Material Distribution**

#### **Completed:**

- CFBHN shared website created with TIC resources and links. [www.cfbhn.org](http://www.cfbhn.org)
- Workgroup members continue to share information on TIC trainings and resources in the area.

### **Task II: Implement TIC within Agencies**

#### **Completed**

- HKI trained staff on TIC in September 2010.
- HKI established TIC training for foster parents.
- MHC identified 5 champions to implement TIC.
- S4KF presented information on TIC to all staff.
- Baycare working to establish agency TIC training.
- Workgroup completed a community TIC assessment via online survey in Oct. 2010.
- Workgroup reviewed community assessment.
- HKI presented their DCIP regarding Trauma-Informed Care for integration of workgroups.

**Next Steps:**

- Establish a Memorandum of Agreement (MOA) for providers and stakeholders to ensure commitment to TIC.
- Workgroup to reassess community stakeholders on TIC in six months (April 2011).
- HKI is creating a website to share information on TIC.

**Task III: Training****Completed**

- Workgroup identified web resources on TIC.
- Workgroup invited Vickie Hummer, FMHI, to present to group on TIC.
- Veteran's grant offered "Seeking Safety" & "Motivational Interviewing" in C13.
- Regional Trauma and Attachment training offered in January 2011.

**Next Steps**

- Review information obtained from FMHI on trauma and elderly.
- HKI is hosting a TIC conference in March 2011.
