
Request for Proposal (RFP)

Early Intervention Services - Psychotic Disorders CST in Hillsborough County Questions & Answers

RFP#: 181903EIS

1. I noticed the financial risk management spreadsheet that you included with the contract amendment 2. Please explain how the risk management tool is going to be used by CFBHN and the roll of the provider in completing this tool.

The CFBHN Financial Risk Assessment will be reviewed and evaluated by CFBHN Finance Staff in order to determine a score as detailed in the Evaluation Guide (pages 53-54 and item replaced by Addendum 2).

The provider should complete the financial risk assessment using their most current Financial Audit. The information requested should be submitted in the Microsoft Excel version that is posted.

2. It's a bit unclear to me what you are looking for regarding submittal?
 - Just an electronic copy? Or...
 - A paper copy and an electronic copy?

CFBHN is requiring an electronic copy, emailed to Procurement@cfbhn.org, in the specified format.
