Hi Luis and Karen,

Thanks again for the generous donations of masks for homeless members of the community. They've been much appreciated by our guests for breakfast and dinner, where we've been serving more people than ever. I shared masks also with our homeless continuum of care. I received a thank you note I wanted to share with you from Daystar Life Center, which both gives the masks out directly to their clients and stores masks for the CoC to give to their street outreach team. They had me fill out a donation form, on which I put my name for any follow up questions and that the masks

came from you. I'll say I was surprised to see the envelop addressed to Central Florida to my attention, but there you go.

Thanks again,
Sam
