

**POLICIES & PROCEDURES**

**Rate-Setting Methodology**

***Policy***

It is the policy of Central Florida Behavioral Health Network, Inc. (CFBHN) to establish rates for Network Service Provider (NSP) payment.

***Purpose***

The purpose of this policy is to describe CFBHNs' rate-setting procedure.

***Procedure***

CFBHN reviews each Network Service Provider's (NSP's) actual fiscal reports (personnel detail report, revenue and expense report, and capacity report) and compares them to the most current independent audit. Personnel costs and operating costs are reviewed to ensure they are appropriate, reasonable and necessary.

Rates are based on validated expenditures, budget availability, and system of care need.
