

Promoting a Recovery-Oriented System of Care (ROSC)

Policy

It is the policy of Central Florida Behavioral Health Network, Inc. (CFBHN) to promote recovery concepts and best practices in treatment settings, and ensure that individuals served and their families have access to recovery supports and services.

Purpose

The purpose of this policy is to define CFBHN’s role in tracking, promoting and increasing the availability of recovery support services.

Procedure

1. CFBHN works to identify opportunities to promote the expansion of peer-based recovery support services and recovery communities, enhance the role of peers in the workforce, and support development of peer-run organizations in the network.
2. The availability of recovery peer support services throughout the Suncoast region is monitored by CFBHN through its maintenance of a database of:
 - A. Evidence-based (or emerging evidence-based) recovery trainings offered by CFBHN, including recovery peer specialist certification trainings, Wellness Recovery Action Plan (WRAP), Reaching For Their Dreams- Using Recovery Capital as the Foundation for Recovery Planning;
 - B. Individuals/peers desiring to enter the workforce, including those who have achieved certification status; and
 - C. Individuals trained in High-Fidelity Wraparound, including coaching, facilitator and trainer certifications.
3. Technical assistance and training are offered to:
 - A. Individuals in recovery who are seeking certification as a Certified Recovery Peer Specialists (CRPS); and
 - B. Network Service Providers (NSPs) and grassroots organizations such as, Recovery Community Organizations, Florida’s National Alliance Mental Illness (NAMI) affiliates that are seeking to certify the recovery peer specialists that they employ.
4. CFBHN’s Consumer and Family Affairs department staff work with NSPs to meet the guidelines established in the Department of Children and Families (DCF) Guidance Document 35, *Recovery Management Practices*.
