

Technical Assistance Provided by Consumer and Family Affairs

Policy

It is the policy of Central Florida Behavioral Health Network, Inc. (CFBHN) to collaborate with, and provide technical assistance to, organizations that deliver recovery-oriented services and supports to their community.

Purpose

The purpose of this policy is to outline the types of technical assistance offered by CFBHN's Consumer and Family Affairs Department to Network Service Providers and persons-served, grassroots and family-run organizations.

Procedure

- A. Technical assistance and training offered by CFBHN's Consumer and Family Affairs Department staff is provided upon request.
- B. Technical assistance offered may include:
 1. Training to promote the principles of Recovery-Oriented Systems of Care (ROSC).
 - a) Navigating and understanding the Florida Certification Board's (FCB) peer certification process.
 - b) Implementing Recovery Oriented Monitoring report opportunities, and Self-Assessment Planning Tool (SAPT)/Recovery Self-Assessment (RSA) survey opportunities
 - c) Locating the following trainings:
 - d) Peer Specialist trainings
 - e) DCF's Recovery Capital Planning training.
 - f) DCF peer supervision training, and other standardized peer supervision training
 - g) Wellness Recovery Action Plan (WRAP) Curriculum:
